## AIMS AND SCOPE

Communicata is a scientific, open access, online-only periodical published in accordance with independent, unbiased, and double-blinded peer-review principles. The journal is official publication of the Atatürk University Faculty of Communication and published biannually in March and October. The publication languages of the journal are Turkish and English.

Communicata aims to contribute to the literature by publishing manuscripts at the highest scientific level in communication. The journal publishes original articles, reviews, case reports, and letters to the editors that are prepared in accordance with ethical guidelines. The scope of the journal includes but not limited to radio, television, cinema, journalism, public relations, advertising, new media, etc.

The target audience of the journal includes researchers and specialists who are interested or working in all fields of communication.

The editorial and publication processes of the journal are shaped in accordance with the guidelines of the Council of Science Editors (CSE), Committee on Publication Ethics (COPE), European Association of Science Editors (EASE), and National Information Standards Organization (NISO). The journal is in conformity with the Principles of Transparency and Best Practice in Scholarly Publishing ([doaj.org/bestpractice](https://doaj.org/bestpractice)).

### Disclaimer

Statements or opinions expressed in the manuscripts published in the journal reflect the views of the author(s) and not the opinions of the editors, editorial board, and/or publisher; the editors, editorial board, and publisher disclaim any responsibility or liability for such materials.

### Open Access Statement

Communicata is an open access publication, and the journal's publication model is based on Budapest Access Initiative (BOAI) declaration. All published content is available online, free of charge at <https://communication-ataunipress.org/>. The journal's content is licensed under a Creative Commons Attribution-NonCommercial (CC BY-NC) 4.0 International License which permits third parties to share and adapt the content for non-commercial purposes by giving the appropriate credit to the original work.
